

Bisbee and Warren District

SOCIETY

The Young Women's Christian Association is making preparations for a unique party to be held at the Association Home on the evening of July 24th. The entertainment, to which the Bisbee public is cordially welcome, will consist of a trip to the Orient, including departure from San Francisco, sea voyage, stop at Honolulu, and entry into the Port of Japan.

The spacious veranda of the Home will be steamer deck, with the officers and crew of "H. M. S. Pinafore" in command. Here the passengers will enjoy deck sports and other incidents of an ocean trip, including, it is evenational ocean flirtations. The stop at Honolulu will be made pleasurable by the music, flowers, and Lal women, which are features of that picturesque city, and the Japanese stage of the journey will allow the tourists to gaze upon the tea gardens and pretty maids of the land of cherry blossoms. A safe return is guaranteed to all who take passage, and fog, seasickness, and all other discomforts of sea travel will be absolutely eliminated.

Altogether, it promises to be a most enjoyable party, and it is to be hoped that a large crowd will be on hand at the date of sailing.

On Wednesday evening the Junior Christian Endeavor Society of the Presbyterian Church held a very successful and pleasant social at the church edifice. The attendance was good, and every one thoroughly enjoyed the games and music, not to mention the refreshments, that had been arranged. The Junior Endeavorers certainly proved themselves able hosts on this occasion.

The lunch and apron sale conducted by the Baptist Ladies Aid on Thursday

day was a splendid success. In spite of the heavy rain of the morning, which might have been expected to keep people pretty well indoors, the ladies began serving their lunch at about 11:30 at the building formerly occupied by the Popular Store, and for the rest of the afternoon and well into the evening had about all the patronage they could conveniently handle. Their menu was an excellent one, consisting of roast beef or meat loaf, mashed potatoes and gravy, a delicious salad and pie or ice cream, and coffee. Everything was well cooked and well served, and the ladies certainly deserved the generous patronage they received.

The apron sale conducted at the same place, was also highly successful. The ladies had a number of very useful and highly attractive aprons on display, and the housekeepers of Bisbee welcomed the opportunity to replenish their supply.

The Department of Household Economics of the Anona Club held an all-day meeting last Wednesday at the home of Mrs. E. J. Flannigan. There was a good attendance, and the occasion was a very pleasant and profitable one to all.

Last Sunday afternoon Cochise Canton No. 3 of the I. O. O. F. held a special meeting at Odd Fellows' Hall at 3:00 o'clock. A good attendance was present to witness the conferring of the Patriarchs' Millitant degree, one of the highest degrees in the order, upon several candidates. The ceremony was an impressive one, and highly appreciated by all that had the privilege of seeing it.

The regular meeting of the Ladies of the Macabees was held Thursday

evening at Fair Hall, with an attendance of between fifty and sixty members. The main feature of the evening was the conferring of the first degree of the lodge upon a class of nine candidates. Other important business was transacted, and a report on the award of the prize for the Fourth of July parade was given.

At the close of the business session the Ladies enjoyed a very pleasant social hour. Sherbet and cake were served.

The next regular meeting will be held the first Wednesday afternoon in August at Odd Fellows Hall.

The first performance of "H. M. S. Pinafore" was given last night at Y. M. C. A. gymnasium before a large and enthusiastic audience. The production was certainly a treat to all who attended, and the producers have every reason to be proud of their achievement.

"Pinafore" is one of those old, well-tried favorites, that like an old friend, grows dearer with age. The catchy stanzas, the bright dialogue, and the delightfully absurd situations were just as pleasing last night to every member of the audience as they were when they first enjoyed them anywhere, from five to twenty-five years ago.

The new scenery, specially prepared for our Bisbee company, is extremely attractive, and adds much to the interest of the production. The first act shows the deck of "H. M. S. Pinafore"—a faithful reproduction of an old-fashioned British warship—by day, with a view of Portsmouth Harbor in the distance, while the second act is set the same, with the addition of a large, fine moon for Captain Corcoran to sing to.

MERCER PREXY ASKS MILLION ENDOWMENT

Dr. W. L. Pickard.

Rev. Dr. W. L. Pickard, new president of Mercer University, the Baptist college located at Macon, Ga., will launch a campaign this summer for a million dollar endowment for that institution. Dr. Pickard is a graduate of Mercer. During the past eight years he has been pastor of the First Baptist church of Savannah, Ga.

But that dear old pompous idiot who has charmed the hearts of audiences these many years, was never, we are sure, more admirably depicted than it was last night by Dr. Craig. Dr. Craig's performance had a professional note to it that stamped it with distinction, and his singing, acting and appearance in the part were all equally excellent.

Captain Corcoran, that melancholy and unfortunate commander, was depicted in an extremely adequate fashion by Mr. P. C. Hageman, who gave it just the right note of helpless submission to his overbearing superior. Ralph Rickshaw, the ardent young seaman that steals the heart of the would-be haughty Josephine, was excellently done by Mr. Thomas Dowrick, whose singing has long been extremely popular with Bisbee audiences. Mr. Dowrick was at his best last night—we feel that nothing more need be said of his Ralph Rickshaw.

The part of Dick Denslow, the misanthropic and excessively unpleasant hunchback, was taken by Mr. J. H. Eldon in such a delightfully villainous

fashion that we fully expected to see the members of the crew pick him up and throw him overboard in response to their kindly sympathy with Ralph's love affair.

Miss Mary Kehoe, as Josephine looked extremely charming, and acted and sang her part in her own sweet and winning voice and manner. Her performance was very graceful and polished, and won hearty applause from the audience.

Little Buttercup, we venture to say, was never more fascinating than she was last night, when that charming part was taken by Miss Mamie Howe, whose singing and acting were all that could be desired.

And of course the chorus was there—the same old Pinafore chorus of sentimental marines and Sir Joseph's "sisters and his cousins and his aunts." These sweet, fatuous female relatives were delightfully led by Miss Carlotta Moyer, as the "first aunt" and Miss Marguerite Watson as "first cousin."

Between the acts the minstrel was very prettily and gracefully danced by Mr. and Mrs. W. H. Tonkin, Miss Louise Renaud and Mr. Ralph Brown, Miss Mamie V. Howe and Mr. P. G. Hageman, Mr. and Mrs. Bert Warner.

Altogether, the first performance of "Pinafore" by Bisbee home talent was a distinguished success. The second and last performance will be given on Monday evening. It is safe to predict that the experience and self-confidence gained last evening will enable the company to put on an even better production Monday night. Mr. Arthur Howard Ten Brock, the director, has certainly done good work in giving Bisbee this musical treat, and has shown himself an adept in his field. Every member of the company is also to be congratulated, and it is hoped the audience tomorrow night will be fully as large as that which witnessed the first performance. Surely everybody that stays away will have cause later to regret depriving himself of an evening of solid enjoyment.

Mrs. L. T. Wilson and daughter Lois expect to leave Bisbee Wednesday evening for the east, their ultimate destination being Germany, where
